AS WE END JULY LET'S PONDER THESE

WORK OF COMMITMENT

1. Your commitment develops or destroys you.
2. Your commitment defines where your heart is.
3. Who or what you love receives commitment making Love a commitment.
4. You can commit to some things of ministry and not to God but can't commit to God and not matters of ministry.
5. Acknowledging existence, moving to action and following through is a commitment thing.
6. To keep going in the face of reproached, persecution and all forms of adversities is commitment.
7. When you choose commitment, you have chosen what should shape your life.
8. Commitment speaks to what and who you are faithful to.
9. Commitment through odds and hazards is a refinery operated by God.
10. Commitment translated is nothing to hide, fear, lose or to regret.
11. Committed faithfals don't resign excused on certain people.
12. If you can abandon a tested cause you were never committed.
13. Irresponsiveness and indifference are no relatives of commitment.
14. Commitments always find ways of making things work better rather than lay back to criticise or jerk for positions.
15. One's commitment is better measured in actions than rhetorics.
