THE WORK OF THE WORD

As we enter into the month of working the WORD let's humbly brood over these thought deeply.

1. Don't close the Word to look for what you can find in the open Word.
2. Devotion to the Word is how to be led by the Spirit.
3. The Will and Word of God are inseparable.
4. Going so long without feeding on the Word is starvation to your being totally.
5. When you take care of God's Word, God's Word will take care of you
6. In every day of every stage read the Bible as a novel, study a topic as a subject and research a theme as a thesis.
7. You don't study scriptures to know the Bible but to know God.
8. No matter one's level of maturity the Word widens and deepens one's horizon.
9. A Word from the Word is more than the World.
10. If you are full of the Word, there'll be no space for the World within.

Thank you so much.
