NOVEMBER FOCUS

WORK OF MISSIONS

1. The deepest prayer need of the mission minded is send me anywhere with whatever burden, only sustain me.
2. The mission minded doesn't spend time on praying to remove problems but boldness to overcome them.
3. Severance of any ties except what binds me to service is missionary.
4. Zeal for missions is not born out of intellectual or theological arguments but love.
5. With an open bible the call of God gives an open map.
6. The Spirit of Christ is missionary oriented.
7. The more intimate you get with Christ the more missionary you become.
8. Difficulties on the field of mission and calling is better than success at things that do not matter.
9. Only what is done to souls for Christ will last after everything.
10. It's not a sacrifice if it's a commission by the heavenly King since that from the earthly is considered an honour.
11. A life that gives nothing, endures nothing and considers nothing is worth nothing in the end.
12. Our global God with global children fulfill global mission.
13. The gospel is only good news if it gets there timely.
14. Mission mindedness can only be sacred if it's seen as worship.
15. Saved to the side of Grace is indebtedness to the lost by the law.
