JANUARY 2025 NEWSLETTER

1. Don't wait for a great start, start and hold on to be great.
2. The way to let go of the past is to use it as foundation 'underground' for the new start.
3. Waiting for perfection will eat into your start time, starting will perfect it.
4. Every sunrise is for re-rise as every sunset is for re-set.
5. The falls of what is meant for His Glory aren't yours, be bold to start right here.
6. Gratitude for so far is Graciousness for how far.
7. Motivation for good work today is preps for great outcomes tomorrow.
8. Where you are doesn't terrify the enemy like where you are going to turn this world upside down.
9. When you see past setbacks as part of the success you will be motivated to press on.
10. Qualitative living is focusing on right outcomes not impressing observers.
11. Not being afraid of staying on is how to reach notable results.
12. Turning the world upside down is settling to be different.
13. Deciding for the distinguished makes you distinguish.
14. If you don't do your best, you'll be anxious about being the best.
15. Moving and shaking the world is not from improvement but innovation.
16. If it's about His Glory, no attention or focus will be too much.
17. The God of space is limitless in His scope of operation for the best.
18. Like Moses if you can't take the task you can't keep the power for it.
19. Popularising hidden good changes persistent evil.
20. Both your selection and responsibilities to turn the world upside down is an honour take it and run with it.
