FEBRUARY 2025 NEWSLETTER

In the 'Turning The World Upside Down' agenda let's inspire ourselves with these vision thoughts

1. A clear vision of one's destination is a confidence booster.
2. A well-tailored plan to a purpose engenders personal power.
3. A vision of whereabouts dispels double mindedness.
4. Aiming at turning the world upside down by living your dream is bravery.
5. To allow the opinions and expectations of others to keep you static is cowardice.
6. A vision must be an appeal to your get up and do.
7. Not just a mental image but a vision invites to be someone better.
8. To know what to do without an actionable vision is like still birth.
9. Let vision give you the fun of a preferable near or far future.
10. Seeing the unseen is vision and acting on the unseen brings it to the seen.
11. Vision is the line between good old days and better tomorrow.
12. A redemptive right to the believer is ability, capability and capacity to fulfill vision.
13. Our invisible unmovable kingdom requires a touch with the unseen verities for translation to the seen.
14. Procrastination is an official pursuit of a clear vision.
15. Be different by your vision.
16. One's vision is the ignition to another's vision.
17. Your vision failure has ripple effects on many other dreams.
18. When people don't stay with you, let them, they may not be finding their vision in yours.
19. Vision will make you glue to your journey no matter the adversity.
20. It takes a person to have a vision, turn the world upside down waiting for no one.
