NOVEMBER 2025 NEWSLETTER

SIGNIFICANCE

Having taken rest from MAD CONFERENCE '25 We're back to thoughts for living:

1. The born of God is designed for significance.
2. Created significant, born again significant by a significant God only sets you up for significance.
3. To sense and think significance is significance hidden in your nature.
4. The manifestation of significance always starts with an individual action.
5. Impacting Little Things and one person at a time is the journey to the expression of significance.
6. The wish, the will, and the work for Change Is significance.
7. When your God is the source of your significance, you stop at nothing.
8. Your significance may be insignificant to the insignificant in the insignificant of realm don't fall for them.
9. Don't join apathy and indifference. Your significance may not be significant to them.
10. Significance is not an event it's an endless journey. Keep working at it.
11. Significance is not in what you have or even who you are but 'WHOM' you are.
12. The maintenance of consistency is confirmation of significance.
13. Life is not meaningful when your life does not produce the meaningful.
14. The length of life is significant only in the lifers life.
15. Significance is not in quantity but quality of life.
16. Inwards satisfaction about life is not in pursuit of success but significance.
17. People of significance don't just get involved.
18. What one has to impose on the world until the world is impacted is one's significance.
19. The spirituality of significance is giving expression to divinity.
20. Pressing for your life to count as something is Quest for significance
